New Information:

We are quickly approaching the window for the state standardized testing for students in grades 3-6. The California Assessment of Student Progress and Performance (CAASPP) will be completed by Sunset Ranch students between May 7th-18th.

Please also ensure that your students are well prepared for the assessments by making sure that they get a good night's sleep each night, have a nutritious breakfast each morning, and by encouraging him/her to do their very best.

For more information about the state testing program, please visit the [California Department of Education](#) website. If you are curious, you can even view sample exams [HERE](#). Students will also be reviewing these practice exams in class to prepare for CAASPP.

Thank you in advance for doing your best to ensure that your students are at school during the entire testing window, and for your support during this important assessment period.
