

Howling Coyote

Principal's Message:

May 21, 2018

Dear Coyote Families,

It is with bittersweet emotion that I inform you that this school year will be my last year as principal at Sunset Ranch Elementary. Last Wednesday, the Rocklin School Board confirmed that I will be moving into the Director of Elementary Programs and School Leadership position beginning on July 1st. This is a position that I actively sought out as a natural next step in my career. I was honored to be selected and am looking forward to working with the district office team to support all of our Rocklin's elementary schools.

This being said, I am sad to leave Sunset Ranch. Over the past two years, I've had the pleasure of working with an incredible group of teachers, students, and parents at a truly fantastic school. Our list of accomplishments is long and impressive. While only eight years old, Sunset Ranch already has a reputation in Rocklin and beyond for being at the forefront of innovative teaching, STEAM learning, and inclusive academic programs. Equally important are the relationships and friendships I have built with many of you. Together we've provided great learning opportunities for all Coyotes – and also had a lot of fun along the way.

I want you all to know that I am committed to the continuing success of Sunset Ranch Elementary School. I have put great effort and love into our school and am personally invested in its continued success. One of my new responsibilities as Director will be selecting and supporting the new Sunset Ranch principal. I will work closely with the staff and district to ensure that the new principal has a seamless transition and is prepared to continue the tradition of excellence that makes our school outstanding. Change is never easy, but I feel confident that the Sunset Ranch community will rise to the challenge and continue to move the school forward towards even greater achievements!

It has been wonderful to work at the Ranch and spend time each day with you and your children. In my new position, I look forward to continuing our relationship and creating even more outstanding learning and growth opportunities for our students!

Best,

Bill MacDonald
Principal
Sunset Ranch Elementary School

This week (or last) you may hear your child talking about our new web-based math fact fluency program “Reflex Math”. **Reflex Math is a fun way for students to master their addition, subtraction, multiplication, and division facts.** Reflex Math will be used at school but can also be accessed from home via the [login page](#). Here is some [additional information about the program](#).

For the 2018-19 school year, Rocklin Unified School District has moved to an [online registration system](#) for TK/K enrollment. Packets must be completed online, printed, and turned in at:

- The Sunset Ranch Office beginning on Wednesday, 1/24.

Sunset Ranch is currently **ACCEPTING** intra-district and inter-district applications for the 2018-19 school year. These will be granted on a space availability basis at each grade level. Please contact the Sunset Ranch main office for more information.
