May 21	Talent Show - K-3 - 8:00 a.m. / 4-6 - 9:15 a.m. (Multipurpose Room)

New Information:

This year, we are going to try something new with Open House on Thursday, May 17th! Part of our school strategic plan is to continue to emphasize STEAM (science, technology, engineering, art, and mathematics), collaboration, and student driven learning. This year, at [Open House / Full STEAM Ahead!](#) we are going to try to accomplish all of this and more. Instead of individual classroom presentations, each grade level will be working together on a theme that will incorporate at least three STEAM areas into a hands-on, student led, activities for parents. In addition, the night will have more traditional activities such as the Art Docent Show, VAPA showcase, and fourth grade square dancing. All together, it promises to be a fun and exciting night that is a celebration of learning for the entire school year. I look forward to seeing you all there!
