

## Season's Greetings!

Sunset Ranch Families!

The holidays will be here before we know it, and Sunset Ranch Elementary would like to take the opportunity to brighten a child's holiday. For a fifth year, our school is taking part in the Salvation Army Angel Tree and Adopt-A-Family program. The Salvation Army strives to provide assistance to those in our community who need support to provide for their children this holiday. We would like to invite you to partner with us to make this holiday season a very special one for the children of our community. Through your involvement, we will be able to reach out to children who are in need. This year we even hope to have media coverage to help promote the Angel Tree Program!

The program is simple, yet deeply rewarding. Each registered child in the community has an angel tag of which some are on our tree in the front office with their name, age, and a small wish list plus a coat size. Please take a tag of your choice off the tree, shop for your chosen youngster and return the UNWRAPPED gift or gifts (you can get 1, 2 or all items) to the office no later than December 14, 2017. To make sure the child receives their gift, the bottom portion of the tag needs to be attached to the gift. The Salvation Army will pick up, wrap, and then distribute the gifts to the children in our area just in time for the holiday.

Please consider joining our student leadership crew and our community to help make a child's Holiday a little brighter!

Thank you for your contribution...and Happy Holidays! 

If you have any questions regarding the program or the process, please contact Alicia Perkins at [aperkins@rocklinusd.org](mailto:aperkins@rocklinusd.org).
