

2018 LITTLE THUNDER BASKETBALL

AT ROCKLIN HIGH SCHOOL

The goal of this league is to teach boys and girls the offensive and defensive fundamentals of basketball, while also helping to develop an enthusiasm for the game, good sportsmanship, and a positive attitude. All participants will receive instruction, games, a t-shirt, and a custom basketball. All games and practices will be on 8-ft. baskets for grades K-3 (girls) and k-2 (boys) with 10-ft baskets for grades 3-6. (boys) **Every Saturday each team will be scheduled for a 75 minute session. This session will be broken up into a 45 minute practice and a 30 minute game.** There are no practices during the week.

The RHS Coaching Staff will organize the practices and the drills will be facilitated by the RHS coaches and RHS players. The games will be officiated by RHS Coaches and the RHS Basketball Players will coach the teams. This format offers an opportunity to begin building relationships between our high school players/coaches and the young people in our community. **Teams will be made up according to grade level and school. All practices & games will be on Saturdays at RHS.** Over the six weeks, we believe that your child will improve their basketball skills while having a lot of fun. We hope to see you and your child for a great year of Little Thunder Basketball.
