A TRIFOLD APPROACH TO THEATRICAL EXPRESSION**

## **———— MUSICAL WORKSHOP EXPERIENCE ————**

For two weeks, our Imagination Guides will take your children on a journey of the heart and soul through music and more! In this workshop we begin the theatrical process with the heart, allowing each person to feel and process the emotional aspect of performance, whether that is performing on stage in front of the audience or being on the run crew. Our hope is to provide a space to freely create and explore theatre finding joy within the arts. The process will conclude with a complete production, a gift from the heart!
