

Celebrate Hour of Code Week

Free Community Open House hosted at Parallax Inc.

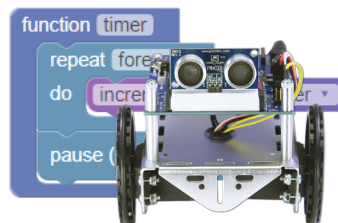

We are inviting the community to join Parallax in celebrating Computer Science Education Week with Hour of Code™ activities on Wednesday, December 5th and Thursday, December 6th. Parallax manufactures robotics and electronics in addition to developing educational STEM products and resources. As a third-party curriculum provider for Code.org, Parallax is committed to inspiring students to dig deeper into electronics and programming.

December 5th and 6th

3 PM to 6 PM

599 Menlo Drive

Rocklin, CA 95765

Featuring

- Hourly tours of Parallax's headquarters (3 PM • 4 PM • 5 PM)
- Hands-on activities with the Scribbler 3, FLiP Try-it Kit, and ActivityBot 360°
- A raffle, goodies, and prizes!
- Meet Parallax roboticists and learn about the history of Parallax and robotics, electronics, and coding
- The Parallax On-Site Shop will be open for all your robotics needs

**HOUR
OF
CODE**

Bring your friends and family and join the growing movement of 100 million students worldwide exploring coding and robotics!
