School Site Council
2021-2022**

Monday, February 7, 2022
3:00-4:30 p.m.

Meeting Started: 3:07 p.m.

Agenda:

- I. SRES Safety Plan Review,.Input and Approval
 - A. Lori Kircher reviewed our plan. We based our data from student opinions on how they are feeling safe on campus. Our CHKS data was reviewed with 74% of 5th graders and 43% of 6th graders responding. Students in both grades, based on data, show an increase in the percentage of negative peer interactions. There is also an increase in the percentage of students who indicated they have had one or two sips of alcohol. Good news, based on data, 96% and 86% respectively feel adults and teachers make it clear that bullying is not allowed. And 88% and 81% respectively, indicated that teachers and adults will do something to help when bullied.
 - B. Most of our incidents as of 2/1/22 occurred on the playground for minor physical contact or minor disrespect
 - C. Goal is to ensure all stakeholders (students, staff, parents) feel physically and emotionally safe, engaged with, and connected to school. We have PBIS schoolwide intervention, Bully Prevention Curriculum, MTSS Tiered Supports, and UDL are in place. In response to the CHKS survey data,

the administration will conduct empathy interviews to learn more about student perceptions of negative peer interactions and engagement. SRES has implemented a new SEL curriculum, Character Strong in addition to our Essential Toolbox. Our second goal is to continue this during the COVID pandemic as well by adhering to the guidelines, cleaning, and communicating with all stakeholders.

- D. Kurt asked for an update on COVID cases and SRES has gone down and is no longer in crisis mode. Jarita asked about gun safety and the concerns of recent threats. SRES teaches Run, Hide, Fight and has a closed campus to visitors and staff locks doors during school hours.

- II. Melanie Patterson motioned to approve the SRES Safety Plan for 2021-2022 and Kurt Hall provided the second. All members in attendance voted to approve the plan.

- III. RUSD Local Control Accountability Plan Review and Input
 - A. Input will be provided in an alternative format

- IV. Upcoming Meeting Dates:
 - A. April 18 - SRES Progress Report on School Plan for Student Achievement

- VI. Public Comment
